## COACHING TRAINING AND TRANSLATING SERVICES

### **We speak the language...**

of effective communication for businesses and professionals.

### **What we do.**

We provide translation services and English-language training for companies and individuals.

### **What we do best.**

We specialize in German-English / English-German translation and teaching English-based communication skills.

### **What makes us excellent.**

We are a small company that provides personalized service. Our close-knit team of translators and trainers have comprehensive knowledge of different business sectors, which makes them sensitive to the "language" of different businesses or companies.
